### **About Landec Corporation**

Landec Corporation is a company that leverages its proprietary polymer technologies, application development and innovation capabilities to develop and commercialize new products in food and biomaterials markets. Landec's subsidiary, *Apio*, has become the leader in US fresh-cut specialty packaged vegetables sold in North America based on combining Landec's proprietary food packaging technology with the capabilities of large scale processing and national distribution. *Lifecore Biomedical*, a subsidiary of Landec, is a premium supplier of hyaluronan-based materials and medical products to ophthalmic, orthopedic and veterinary markets worldwide. In addition, Lifecore Biomedical provides specialized aseptic fill and finish services in a cGMP (current good manufacturing practices) validated manufacturing facility for supplying commercial, clinical and pre-clinical products. Landec will also periodically work with market-leading companies to develop and commercialize differentiated polymer-based products under R&D and royalty agreements.
