About Landec Corporation

Landec Corporation (Nasdaq: LNDC) is a leading innovator of diversified health and wellness solutions with two operating businesses: Curation Foods, Inc. and Lifecore Biomedical, Inc. Curation Foods is focused on innovating and distributing plant-based foods with 100% clean ingredients to retail, club and foodservice channels throughout North America. Curation Foods is able to maximize product freshness through its geographically dispersed family of growers, refrigerated supply chain and patented BreatheWay® packaging technology. Curation Foods brands include Eat Smart® fresh packaged vegetables and salads, O Olive Oil & Vinegar® premium artisan products, and Yucatan® and Cabo Fresh® avocado products. Lifecore Biomedical is a fully integrated contract development and manufacturing organization (CDMO) that offers highly differentiated capabilities in the development, fill and finish of difficult to manufacture pharmaceutical products in syringes and vials. As a leading manufacturer of premium, injectable grade Hyaluronic Acid, Lifecore brings 35 years of expertise as a partner for global and emerging biopharmaceutical and biotechnology companies across multiple therapeutic categories to bring their innovations to market.
