Landec Corporation Schedules Fourth Quarter and Fiscal Year 2011 Earnings Release for July 26, 2011 and Conference Call for July 27, 2011

MENLO PARK, Calif., Jul 06, 2011 (BUSINESS WIRE) -- Landec Corporation (Nasdaq:LNDC) announced today that it will report financial results for the fourth quarter and fiscal year 2011 ended May 29, 2011, after market close on Tuesday, July 26, 2011.

The news release will be followed the next morning, Wednesday, July 27, 2011, by a teleconference and webcast open to all interested parties at 8:00 a.m., Pacific Time. The teleconference can be accessed by calling 866-253-5757 or 703-639-1206. Please log in 5 - 10 minutes prior to the beginning of the call.

This call is being webcast by Thomson Reuters and can be accessed at Landec's web site at http://www.Landec.com on the Investor Relations page. The webcast will be available for 30 days through August 26, 2011. A replay of the teleconference will be available for one week until midnight Eastern Time, Wednesday, August 3, 2011, by calling 888-266-2081 or 703-925-2533. The access code for the replay is 1540771.

For further information, please call Greg Skinner (650) 261-3677.

The webcast is also being distributed over Thomson Reuter's Investor Distribution Network to both institutional and individual investors. Individual investors can listen to the call through Thomson's individual investor center at http://www.fulldisclosure.com or by visiting any of the investor sites in Thomson's Individual Investor Network such as America Online's Personal Finance Channel, Fidelity Investments[®] (Fidelity.com) and others. Institutional investors can access the call via Thomson's password protected event management site, StreetEvents (http://www.streetevents.com). StreetEvents allows institutional investors to identify, organize, and track the hundreds of conference calls that occur each day during earnings season, to download events of interest to their Outlook calendar, and to RSVP to events online.

Landec is a materials science company, leveraging its capability in polymer science and bio-application development in order

to commercialize new products within a variety of life science fields, including food, agricultural, personal care and medical device applications. With its Intelimer polymers, Landec is able to customize its proprietary polymer materials for each application through the manipulation of controlled release, temperature activation and biocompatibility properties. Landec's subsidiary, *Apio*, has leveraged Landec's BreatheWay membrane to become the leader in U.S. fresh-cut specialty vegetables. *Landec Ag* offers a full solution of seed coatings and enhancements that work with the latest genetic technologies to drive continuous improvements in crop yield. Landec has also commercialized dozens of personal care, industrial and adhesive products through its long-standing partner relationships. Through its subsidiary, *Lifecore Biomedical*, Landec is now a premium supplier of hyaluronan-based biomaterials to the ophthalmic, orthopedic and veterinary markets worldwide. For more information about the Company visit Landec's website at http://www.landec.com.
